The cost for your vacation bible school depends on a variety of factors: how much you want to publicize it, how many leaders and students you have, how much is donated toward your craft and snack times, how many "extras" you want to purchase, etc. For example, the craft, game, and snack ideas are all comprised of relatively common, inexpensive materials (i.e., there are no elaborate craft kits that you'll need to purchase); and the Resource DVD-ROM contains clip art and logos for making and printing your own promotional materials. Each Teacher Guide is filled with age-appropriate information that enables your kids to connect the Bible to the real world. Please make sure JavaScript is enabled in your browser and then refresh this page.
